NEW Chalky White Bethnal Green Electric Blue
Post Office Red Hazlenut Moss Green

*Please enquire for details of our all new standard colour range **STEAM TRACTION ARCHIVE**. A range of highly researched authentic colours for the traction engine market*

Colour Match Service

In addition to our standard colour range we hold a vast library of other colours including British Standard, RAL, and many more current and defunct ranges from other manufacturers. We charge a small fee for mixing a colour from our library but the paint can be with you within 48 Hours

We can also match to paint samples. This service is very time consuming as samples must be sent to a specialist laboratory. Formulation takes about 10-15 working days
